# ADOPTER USER INFO WINDOW

A screenshot of a web application window titled "ADOPTER USER INFO WINDOW". The window has a light blue header bar with navigation links "Home", "Refuges", and "My Animals" on the left, and a user profile section on the right showing the username "adopterTest" and a user icon. The main content area is gray and displays the following user information:

- Username: adopterTest
- Password: 1234
- Name: adopterTest
- Province: Valencia
- Address: adopterTest
- Phone number: Lorem ipsum

At the bottom of the window, there are two buttons: "Modify Data" and "Delete User".

# ADOPTER USER INFO WINDOW 2

The image shows a web application window titled "Modificaf datos" (Edit data). The window has a standard OS-style title bar with minimize, maximize, and close buttons. On the left side of the window, there is a "Back" button. The main content area is a light gray background with several form fields arranged vertically. Each field consists of a label followed by a text input box. The fields are: "Username:" with the value "adopterTest", "Password:" with the value "1234", "Name:" with the value "adopterTest", "Province:" with the value "Valencia", "Address:" with the value "adopterTest", and "Phone number:" with the value "Lorem ipsum". At the bottom of the window, there is a "Save data" button.

# REFUGE ADD ANIMAL WINDOW

The image shows a web application window titled "Añadir datos animal". On the left side of the window, there is a "Back" button. The main content area contains a vertical list of input fields, each preceded by a label: "Name", "Age", "Weight", "Description", "Specie", and "Race". Each label is followed by a text input field with a placeholder text that matches the label (e.g., "Write the name..."). At the bottom of the window, there is a "Save data" button. The window has a standard operating system title bar with minimize, maximize, and close buttons.
